Let Metro Mobility or Transit Link pick up your grocery order

Metro Mobility Grocery Delivery

Certified Metro Mobility customers and existing Transit Link customers can now order delivery for groceries and household essentials purchased online from a store that has online shopping and local pick up.

Metro Mobility and Transit Link will also drop off food shelf deliveries.

We will pick your order up and deliver to your house.
And the service is free — no fares for delivery.

You can book same day or in advance, for groceries and household essentials, just like you book a ride for yourself.

You'll receive your delivery within 60 minutes of the scheduled pickup time.

Just tell the store that Metro Mobility or Transit Link is picking up and provide us your order number as proof of purchase for pick up.

Our four-bag limit remains in effect.

Pickups must be scheduled at a commercial location (like a grocery store).

Drivers will verify your photo ID at drop-off.
